Dear Parent/Carer

I hope this letter finds you and your family safe and well. I would like to thank you for your support with our remote learning. We have been very pleased with our students and their engagement in their learning so far.

Your child has been accessing their remote learning through either live lessons via Google Classroom or work set on other platforms, such as Hegarty Maths, GCSE Pods, or SAM learning. I would like to ask that your child continues to access their lessons remotely if they are not part of the cohort of students who are accessing lessons in school. Please let us know if there are any barriers to your child accessing remote lessons.

As we continue to improve our offer of remote learning we have updated our consent form which we need you to sign and return to us by Monday 22nd February 9.00am.
Please note that this is a new consent form and you need to complete this in order for your child to access remote learning. A consent form is needed for each child you have in school.
Please use the link to access the new consent form https://forms.gle/Li19HdZ69xs2aA5R6

I would like to wish you a safe and happy half-term. If you have further questions about any aspect of the start of the term, please do not hesitate to contact us at school or by email at: hello@gra.hlt.academy.

Yours sincerely

Norma Enright
