20 January 2020

Dear parent / carer,

As I am sure you appreciate, we are very keen to continue to develop our communication and engagement with parents. We value your support and input and would like to hear more of your ideas and suggestions. There may also be questions that you have for us, or aspects of school that you feel need clarification. We have therefore decided to offer you the opportunity to come to school and meet with myself or a member of my senior team on a regular basis.

Our first 'Meet the Senior Team' session will be on Tuesday 28 January from 3.30pm – 5.00pm. The whole team will be available for one to one conversations, including our Executive Principal, Helen Dowds. We will be happy to discuss anything at all for any student from any year group. We may be able to support with questions you have about your child's learning, their future plans, or perhaps something related to opportunities outside of school. In short, we will be available to listen, support and discuss anything at all relating to your child's experience at school.

If you are interested in coming along, please come to the school reception where we will meet you. If you are unable to attend but have a question or query, please do not hesitate to email us at school.

Yours sincerely,

Emma Robins
