

Principal: Emma Robins

23 June 2020

Dear Parent/Carer

I hope that you and your families are keeping well and safe as we continue to try and find some level of normality during this pandemic. Firstly, I would like to thank you for your continued support with the current home learning package that we have been offering through 'Google Classroom', Hegarty Maths and Sam Learning. The feedback we have so far is very positive and these are platforms we will continue to use when we are back to normal, something I hope will be sooner rather than later!

We know how important learning is for all students and especially those in Year 10 and Year 11. To further support your child's learning we will be offering a live tutorial, which we are hoping will be up and running by the end of the week - there are some safeguarding features we need to make sure are in place before we can offer it. There are also some terms and conditions which we will need you and your child to sign so that they can access this learning.

Please use the following link to access a Google Form where you can provide your consent.

<https://forms.gle/uiuoTFd8hnuSKEsG8>

Please complete no later than 4PM on Friday 26 June.

You will be asked to fill in a consent and a code of conduct form and to declare you are the parent/carer of the named child. You will also need to enter the security code which was included in the message with this letter.

Once we are ready to start our online programme, we will forward all the necessary details including a timetable and log in instructions.

Yours faithfully

Norma Enright
