

Principal: Emma Robins

03 July 2020

Dear parent / carer,

This week has once again, been busy and productive at school. We have been delighted to welcome students from Y7 – Y9 for meetings with their form tutors. These have been very successful with both students and tutors enjoying seeing each other again. These meetings continue next week and we are looking forward to engaging with more students. You should have received a letter with your day / time, if you haven't please contact school - 01723 366451 / admin@grahamschool.org.

Our Y10 on line sessions have started this week and we have been pleased with the response from students. Please continue to encourage your Y10 children to join these sessions. The timetable and log in details are on the school website: <https://grahamschool.org/live-sessions/>. We will continue to set work for all students until the end of term using Google Classroom and please remember that tasks are also set weekly on SAM Learning. I would like to congratulate all students who have been working hard throughout this lockdown period. It has been very challenging for everyone and we are really pleased with the positive response we have had from so many students.

Our provision for Key Worker students has been very successful and we have been pleased to support a growing number of children in school in recent weeks. We have also welcomed Y10 students to school who have been benefitting from sessions with English, maths and science teachers. The final day for all students attending school this term will be Friday 17 July. This is in line with the announcement from the Secretary of State for Education that schools are not expected to be open during the summer holidays.

Yesterday the Department for Education published its guidance for the return of all students to school in September. We are very much looking forward to welcoming all students back to school. We are now planning for this return in line with the guidelines and to ensure the health, safety and well-being of our entire community. I would like to thank you again for your continued support through this difficult period. I will write to you again next week with further details about the full re-opening of the school in September.

Yours faithfully,

Emma Robins
