

26 May 2021

Dear Parent/Carer

As we come to our final days with Y11, I wanted to outline the arrangements for this week, the week after half-term and for results day, 12 August.

Students will finish their school day Thursday 27 May (Friday 28 May is a training day) with an assembly to celebrate their time at Graham School, followed by refreshments, photos and some fun! We are looking forward to celebrating with them.

Students who have remaining assessments to complete, will be invited to attend lessons in the first week after half-term. Teachers will communicate with you/your children to confirm which lessons they need to attend. In line with DfE guidance, in the three weeks following half term, beginning on Monday 7 June, we will provide a range of activities to support students in preparing for the next stage in their education. Full details of these activities will be posted on your child's Google Classroom and on our website. They will include bridging materials to support transition to A level or other post 16 study and careers based activities. Links to the bridging materials can be found here:
