

1 July 2021

Dear Parent/ Carer

We are looking forward to having your child back in school from Tuesday 6 July and thank you for your support during this recent period of school closure, which we know can be unsettling. I would like to explain what Y10 will be doing once they return to school.

The Y10 exams have been rescheduled and have tried where possible to include all subjects. There are some subjects that we have had to remove from the original timetable because of time constraints, subject teachers can discuss this with your child and agree on a more suitable time when the exam can be completed during lesson time. The arrangements of where each student will take their exams remains the same.

The new timetables will be shared on google classroom during form time this week and subject teachers can discuss any changes or answer any questions during Y10 remote lessons, which will continue to take place up to and including Monday 5th July. Please encourage your child to attend all of the lessons and/or to complete tasks that have been set by their teachers on google classroom. Subject teachers can also direct your child to revision materials

Following the reschedule of the exams, there are a number of calendar changes that I need to make you aware of. The Y10 reports will now be sent to parents on Monday 19th July and the Y10 form tutor evening has been moved to Tuesday 20th July, please book a time to meet your child's form tutor to discuss your child's progress and moving into Y11 in September.

Our priority is to support your child as they move into Y11 and to prepare them for their GCSE exams in 2022. Should you have any questions or concerns, please do not hesitate to contact us at school either by phone or email hello@gra.hlt.academy

Yours sincerely

Norma Enright
