2 September 2021

Dear Parents and Carers,

I am delighted to let you know that Hope Learning Trust and Sentamu Academy Learning Trust merged to form **Hope Sentamu Learning Trust** on 1st September. Both Trusts have benefited from collaborative working over the last academic year and as a family of schools, we will continue to work together for the benefit of our pupils and our wider school communities.

The schools in Hope Sentamu Learning Trust are:

- Aspire Academy
- Archbishop Sentamu Church of England Academy
- Baldersby St James Church of England Primary School
- Barlby High School
- Burton Green Primary School
- The Compass Academy
- Forest of Galtres Anglican Methodist Primary School
- George Pindar School
- Graham School
- Manor Church of England Academy
- Newland St John's Primary Church of England Academy
- Poppleton Ousebank Primary School
- Skelton Primary School
- St James' Primary Church of England Academy
- Vale of York Academy

Our vision for Hope Sentamu Learning Trust is to provide learning environments where everyone has the opportunity to thrive. During the summer term, all pupils and staff were asked to vote on the new values for the Trust. The top three selected values were **Respect, Teamwork** and **Kindness** which are now our Trust values.

Thank you for your ongoing support and we look forward to welcoming our pupils back to school for the autumn term.

Yours faithfully,

Helen Winn
Chief Executive Officer | Hope Sentamu Learning Trust
