Dear Parent/Carer

Shortly before the end of last term, we had an Ofsted inspection to look at our safeguarding arrangements in school. The inspection lasted for one day with three inspectors in school. They looked at policies, spoke with teachers, leaders and governors and spent time with students. They have now written a report, which is here: <https://files.ofsted.gov.uk/v1/file/50169757>

We are very pleased with the report, which recognises the quality of safeguarding in the school. It was particularly pleasing to note that, '*The majority of parents state that, in their opinion, the school's leaders and staff do all they can to ensure pupils are safe*'. Thank you if you completed the Ofsted questionnaire at the time of the inspection.

We are already working on the areas for development highlighted in the report, and we remain fully committed to ensuring the safety, health and well-being of your children.

Thank you again for your support since the start of this term. We continue to be impressed with the attitude of your children.

Yours faithfully
